

## **No dead religion with God**

He is a speaking GOD, He has lots to say. In pastoral terms, He tells us that His sheep hear His voice.

Meaning that those who are His, can discern the Masters' voice.

There is no dead religion with God. He is alive and active and He beckons us to come. Come if you are weary and burdened, and He offers us rest! Come let us reason together, He says. Come to the throne of grace that we may receive mercy and find grace in our time of need.

Come follow me, said Jesus. He also says; If anyone is thirsty, let him come to me and drink. He tells us change the way we think and act, and turn to Him to have your sins removed. Then times will come when the Lord will refresh you.

He tells us that He will be coming back, and that He will rule and reign.

The bible is a composite book; it's made up of 66 books, with 40 authors.

Take a look; it's a record of God speaking! God moving! Proverbs is all ways a good read. e.g

It is better---much better---to have wisdom and knowledge than gold and silver. If you are wise, your wisdom will reward you; if you are a mocker, you alone will suffer. A man's wisdom gives him patience; it is to his glory to overlook an offense. It is foolish to follow your own opinions. Be safe, and follow the teachings of wiser people.

As well as the written word, the Holy Spirit (GOD) speaks to our spirit.

He may bring; comfort, warning, wisdom, revelation, prophecy.....all kinds of things. How good is that??!!

**It's written in the book of Romans 5:10** Even when we were God's enemies, he made peace with us, because his Son died for us.

Yet something even greater than friendship is ours. Now that we are at peace with God, we will be saved by his Son's life.

**Now listen, is He talking to you?**

John Elias, Pastor
