

## God's Boast!

"So--who is like me? Who holds a candle to me?"

Look at the night skies: Who do you think made all this? Who marches this army of stars out each night, counts them off, calls each by name --so magnificent! so powerful!-- and never overlooks a single one?

**Isa 45:12** I made earth, and I created man and woman to live on it. I handcrafted the skies and direct all the constellations in their turnings.

**Psa 33:6** By the word of the LORD were the heavens made, their starry host by the breath of his mouth.

There is no doubt that God is a brilliant artist. The works of his hands and even the breath of his mouth have put into place a multi-dimensional universe. So awesome and so amazing that we don't have words....just a state of awesome wonder..... A star breathing GOD! Come on, what response is appropriate ??

Well, the poets of the age, urges us to honor and respect .....

**Psa 33:8** Let the whole earth have respect for the LORD. Let all of the people in the world honor him.

Psa 33:9 He spoke, and the world came into being. He commanded, and it stood firm.

Jesus spoke to the wind and waves and they obeyed! How cool is that? How God is that! Creation is subject to the creator. I guess that is the bottom line, the answer to the question! No one can hold a candle to you God! No one is like you! We are the created, you are the creator.

We are the work of your hands, and you love what you have made! It's not a competition. You are our heavenly Father, we are your children.

That makes me feel secure! How about you? Do you know HIM? Daddy!
